We're on a mission...

Our goal is to educate DC residents about the local resources available to domestic violence victims and to empower everyone in the District to help defeat relationship violence.

...to defeat domestic abuse in DC.

The Stop DV in DC public awareness campaign is the first of its kind in the District. The campaign's messages are culturally-relevant and audience-tested here in our community.

Stay tuned for change.

Information about local resources and how to help survivors will be available through traditional media and non-traditional communications outlets. The campaign will reach out to all residents to urge everyone to be part of the solution.
